

The Solopreneur Tool Stack

The five tools I run an entire one-person business on. Buy them as the pain shows up — not before.

1 Notion

YOUR HUB

Clients, SOPs, notes, and a wiki in one place. Start free.

2 MailerLite

YOUR LIST

The asset you own. Free to 1,000 subscribers, funnels included.

3 ClickUp

YOUR TASKS

When the work is 100 small things with deadlines. Strong free tier.

4 Canva

YOUR LOOK

Look like a real company. Magic Studio AI does a week of content in an afternoon.

5 QuickBooks

YOUR MONEY

Clean books from day one. Pays for itself the first tax season.
